

WaveTech Global Announces Filing of Name Change to PAC Global, Inc.

HOBOKEN, N.J., Nov. 12, 2019 (GLOBE NEWSWIRE) -- WaveTech Global, Inc., a global next generation technology platform company that specializes in power management and efficiency, asset management, data-analytics, and intellectual property development, and its majority shareholder BV Advisory Partners, LLC announced today the filing of a corporate name change from WaveTech Global, Inc to PAC Global, Inc. "PACG". The Company has taken this action after successfully resolving previously filed lawsuits.

About PAC Global

PACG is a global next generation energy management company that specializes in asset optimization and management via a proprietary software and predictive AI platform, intellectual property development, and virtual simulation technologies. The company offers a global portfolio of end-to-end energy optimization and lifecycle management solutions based on a strong portfolio of internally developed intellectual property, engineered systems, and operational expertise. PACG's extensive suite of products include power asset simulation, optimization, and management, operational servicing and automation, lifetime cost reduction, and real-time heterogeneous power source switching. Additional information regarding PACG may be found on website at <http://www.poweranalytics.com>.

Forward-Looking Statements:

The above news release contains forward-looking statements. The statements contained in this document that are not statements of historical fact, including but not limited to, statements identified by the use of terms such as "anticipate," "appear," "believe," "could," "estimate," "expect," "hope," "indicate," "intend," "likely," "may," "might," "plan," "potential," "project," "seek," "should," "will," "would," and other variations or negative expressions of these terms, including statements related to expected market trends and the Company's performance, are all "forward-looking statements" within the meaning of the Private Securities Litigation Reform Act of 1995 and involve a number of risks and uncertainties. These statements are based on assumptions that management believes are reasonable based on currently available information, and include statements regarding the intent, belief or current expectations of the Company and its management. Prospective investors are cautioned that any such forward-looking statements are not guarantees of future performances and are subject to a wide range of external factors, uncertainties, business risks, and other risks identified in filings made by the company with the Securities and Exchange Commission. Actual results may differ materially from those indicated by such forward-looking statements. The Company expressly disclaims any obligation or undertaking to update or revise any forward-looking statement contained herein to reflect any change in the company's expectations with regard thereto or any change in events, conditions or circumstances upon which any statement is based except as required by applicable law and regulations.
